

Student Transportation Services of Waterloo Region
The Future is Riding on Us!

DID YOU KNOW?

Bus information for all students will be available on the Student Transportation website under the “parent” top tab mid to late August for September. If you do not have a parent portal account, please click on the following link <https://bpweb.stswr.ca/> and follow these instructions:

Click on the “parent” top tab & scroll down to the bottom of page to the **Subscription Service** paragraph and click on *“sign up for the subscription service”* or *“get detailed instructions on how to subscribe to all the features”*. This will allow you to view your child(ren) bus information & receive bus delay notifications by email.

If your child is currently in Grade 3 and takes a school bus, the eligibility rules change for Grade 4 students.

Please visit the Student Transportation website (link above) and click on the side tab **“transportation eligibility”** and select grade 4 to see if your student is eligible for the bus in September.
